OUR 1917 LIST

MEMBERS of the Over-Seas Club will be pleased to notice the large increase in the membership roll since our 1916 list was published a year ago. The progress made by our movement is not confined to any one section of the world. Wherever British subjects reside beyond the seas, the Over-Seas Club is coming to be regarded as a rallying point for a sane Imperialism.

In the following pages will be found probably the most remarkable list of addresses over-seas ever gathered together in one volume. In every section of His Majesty's Dominions, in every British community in foreign lands, the Over-Seas Club stands for Imperial unity, for the forging of fresh links of fellowship between the men and women of the Empire.

This book is much more than a mere list of names. It is visible proof of the growing strength of the forces which are drawing closer the far-lying sections of the British Empire. Its publication enables our members in one section of the Empire to enter into personal relationship with their fellows elsewhere. Through it, countless friendships have been formed during the past year. The worker in some lonely outpost of Empire no longer feels cut off from his fellows. The British resident in some foreign town, who rarely hears his native tongue spoken, is afforded a means of keeping in touch with the land

of his birth. The resident in the United States, who, despite the tie of a common language, frequently feels very lonely, is enabled to link up with his fellow Britons.

The Over-Seas Club membership is a living force—the Members of our far-flung society realise that each one of them is wanted in the great structure they are helping to erect.

While we are tremendously proud of the War record of the Over-Seas Club during the past two and a half years with its contribution of £400,000 to various funds, we believe that our career of usefulness is only just commencing. In the great days of reconstruction after the War, the Over-Seas Club will be called to play an important part. The growing influence of our movement is due in no small degree to the fact that the Over-Seas Club has nothing to say to party politics or self-interest.

In 1917—1918 we look forward to a large increase of membership. Every reader is asked to lend a hand in the task of making the Over-Seas Club a really living bond of Empire Union.

SOME ACHIEVEMENTS OF THE OVER-SEAS CLUB

During the War the Over-Seas Club has organised six War Funds. Up to March 31st, 1917, the total sums collected were as follows :—

	£	s.	d.
Over-Seas Club Tobacco Fund	214,852	0	0
Over-Seas Club Aircraft Fund	135,120	0	0
Over-Seas Club Soldiers' and Sailors' Fund ...	29,677	5	7
Over-Seas Red Cross Fund	22,388	0	0
Over-Seas Club Belgian Soldiers' Fund, \$77,906.05	15,996	13	4
Over-Seas Club Hamper Fund	6,715	19	0

Grand Total Over-Seas Club War Funds ... £424,749 17 11

Ninety-five Airplanes have already been presented to the Royal Flying Corps by means of our Aircraft Fund.

Through our Tobacco Fund over 4,000,000 packages of tobacco and cigarettes, containing more than 200,000,000 cigarettes and upwards of 400 tons of tobacco have been sent to the various fronts.

14,000 Members have joined H.M. Forces.

Club Rooms have been opened in the heart of London and honorary membership has been extended to Members of the Over-seas Contingents who happen to be in London on their way to or from the Front.

Some 2,000,000 pamphlets, printed in various languages, giving the British and Allied standpoint have been distributed to offset German propaganda abroad.

“Overseas,” the Club’s monthly magazine has been published for over a year and is growing rapidly in size and interest.

The Over-seas War Savings Association has been formed to enable residents over-seas to purchase War Savings Certificates.

The Over-Seas Trade Bureau has been established to develop British Empire Trade.

The Over-Seas Club attempts in general to create and foster an intelligent interest in the welfare and development of the British Empire, by placing before the individual a clear idea of the duties, responsibilities, and privileges of the *Civis Britannicus*.

The 150,000 British subjects over-seas, men and women, who have enrolled themselves as Members, have done so with a motive—not simply for the sake of joining a rapidly-growing movement, however laudable its aims, but because by so doing they have been able to testify their belief in the world-purpose of the British Empire. Theirs is that inner conviction which is so hard to put into words—an innate faith in this new union of free and self-governing peoples “that is so mysterious as to have in it something of the divine.”

THE OVER-SEAS CLUB TOBACCO FUND

What the Balance Sheet Means

ON page 390 of this Booklet is published the Annual Balance Sheet of the Over-Seas Club Tobacco Fund, showing a total of over £160,000 as at September 30th, 1916—the Fund now amounts to £220,000. But when you look at this Balance Sheet, you hardly realise all that it means.

On the one side this large sum of money represents the generosity of British people—men, women and children—in every part of the world. It represents thoughts for the welfare and for the comfort of the hundreds of thousands of brave men, now fighting at the Front, men who have come from every corner of the Empire to fight in the cause of Liberty.

On the other side this total, in bald figures, crudely represents contributions for more than 3,200,000 parcels of tobacco and cigarettes which have been sent to the Front through the medium of the Fund with a message of sympathy and goodwill in each parcel to the soldier who receives it. Then the soldier has sent back to the donor of the parcel his own message from the trenches, from the high seas or from hospital, with words of thanks, and perhaps some interesting details of his experiences at the Front.

What a "Smoke" Means to Men at the Front

ALL that a smoke means to the man in the fighting line, deprived of the comforts and luxuries of life, is perhaps best expressed in the words of Lieut. R. J. Porter, of the 6th Royal Inniskillen Fusiliers. He says, "It is one of the gifts that the men appreciate most. To know that the people of the Empire think of us makes it so very much easier for us to carry on, and makes us more determined to keep the old flag flying to the end."

More Money Wanted

PLEASE do not think that because the total of contributions to this Fund has already passed two hundred thousand pounds that no more money is required. Every penny of this two hundred and twenty thousand has already been spent. But our men are *still* at the Front, they are *still* in the trenches, they are *still* on the high seas; and daily the number in the hospitals is increasing. We want to go on sending them the solace to which they so keenly look forward, as long as they have to bear for us the hardships of modern warfare.

Will You Help Again?

WE should like to take this opportunity of once again thanking all our Members and their friends for the help which they have already given us, and of expressing the hope that they will continue to help us to carry on the work of the Fund.

Please address contributions to:—The Treasurer, Over-Seas Club Tobacco Fund, General Buildings, Aldwych, W.C. 2.

OVERSEAS

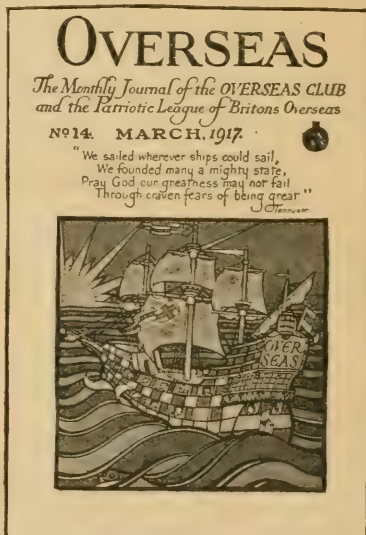

A LINK OF EMPIRE.

EVERY Member of the Over-Seas Club should read "Overseas," the official journal of the Over-Seas Club and the Patriotic League of Britons Over-seas, which is published monthly.

"Overseas" is illustrated with photographs of unique interest from every part of the world. Club news and information, Members' letters and articles by the leading thinkers of the day are included. Pages devoted to the Over-seas Trade Bureau, Employment Bureau and Members' Exchange may be made free use of by all subscribers. The magazine is a collective enterprise, and the help of each Member is needed to make "Overseas" the best and greatest Magazine in the whole British Empire.

The annual subscription has been fixed at the lowest figure possible in order to cover the cost of postage, paper, printing, etc., 4s. (\$1.00) per annum. We want "Overseas" to find its way into every British home over-seas so that it may be a link of Empire in very truth.

Will you help on our work by becoming a subscriber?

BINDING CASES.

Special "Overseas" binding cases to contain twelve copies have now been designed. The covers are of stout durable quality and are covered in art linen of a dark red tone. The cost of a binding case is 2/6 post free to any address. Orders, which will be dealt with in strict rotation, should be sent to The Hon. Organiser, General Buildings, Aldwych, W.C. 2.

Owing to the continually increasing cost of labour and materials we have been obliged to make a slight increase in the cost of the Club Badge.

Above will be found illustrations of the official Over-Seas Club badge, supplied only by the Central Committee in London, in the form of a Pin, Pendant, Brooch, Safety-Pin Brooch and Button. Doubtless many of our members will prefer to purchase the Club's Emblem in a more lasting form than in the ordinary metal badge supplied at one shilling and sixpence.

The Central Committee derives a small profit from the sale of the gold badges, which helps towards the ever-increasing cost of the upkeep of Headquarters. It is hoped that every member of the Over-Seas Club will make a point of purchasing a gold badge and thereby express sympathy with our cause in a practical way.

Members are particularly requested to wear their badges on all occasions.

The Badge of the Over-Seas Club is the best known patriotic emblem in the British Empire. It is to be seen hanging from the watch-chain of the Governor-General and the railway guard, and in the coat of the business man and the miner. Many hundreds of friendships have been formed by means of this emblem during the past few years.

The Badge is enamelled in two colours, red and white, forming the letters "O.S.," denoting the Over-Seas Club.

All remittances must be crossed "Cutts and Co.," and should be forwarded to Evelyn Wrench, Esq., Hon. Organiser, The Over-Seas Club, General Buildings, Aldwych, London, W.C. 2.

THE OVER-SEAS CLUB FLAG

The Over-Seas Club Flag is made of the very best extra stout English bunting "quality AAL," of superior all-wool quality, and of first-class workmanship. The Club flags are manufactured in London by British labour throughout. All flags are supplied complete with stout canvas heading, and those of three yards and over are fitted with line and toggle for hoisting on flag-staff. The standard size, which will be found to suit ordinary requirements, is 3 yds. by 1½ yds.

The Over-Seas Club Flag can only be supplied to genuine members. The weight of each flag packed ready for despatch is given, so that cost of postage can be added.

Miniature Silk.

For the benefit of members who may require miniature Club flags for house or table decoration, or for use at public gatherings, we have arranged for the flag to be specially manufactured in English silk, size 6 inches by 3 inches. The price of these flags is 1/6 each, postage paid to any address.

So as to prevent unauthorised use, every flag supplied to a member of the Over-Seas Club will be accompanied by a permit authorising the purchaser to fly it.

We hope that every member of the Over-Seas Club will fly the Over-Seas Club Flag on all national festivals and holidays. Orders are executed in strict rotation.

HOW TO FORM A BRANCH OF THE OVER-SEAS CLUB.

Summon together the other members of the Over-Seas Club known to you resident in your district and any of your friends likely to be interested, with a view to the election of a committee, and the framing of rules. If you have not a list of the local members, write to the Hon. Organiser, The Over-Seas Club, General Buildings, Aldwych, London, W.C. 2, for same.

The branch rules should be as simple as possible. The accompanying model branch rules have been specially prepared by the Club's legal advisers in London in consultation with the Central Committee. You cannot do better than adopt these rules subject to any slight modification necessary to meet local conditions.

NATIONAL HOLIDAYS.

Every branch of the Over-Seas Club should meet at least twelve times a year, and a point should be made of holding a banquet, concert, or patriotic demonstration on Empire Day (May 24th), Over-Seas Club Birthday (August 27th), Trafalgar Day (October 21st), and during the Christmas Season.

Local National holidays are also celebrated by the branches of the Over-Seas Club, such as Dominion Day in Canada, Wattle Day in Australia, Dominion Day in New Zealand, and Union Day in South Africa. Special emphasis is laid on celebrating these national holidays, as there is nothing incompatible between local patriotism or nationalism and the aims and objects of the Society.

Every branch of the Over-Seas Club should have its correspondent branch in some other section of the Empire. Many have been the links of Empire of this kind forged through the instrumentality of the Over-Seas Club during the past four years.

VARIED ACTIVITIES.

Branches should arrange patriotic drills, displays or sports for the children in their district on suitable occasions, one of the primary objects of the Over-Seas Club being to instil patriotism into the minds of the young.

The monthly meetings may, of course, take the form of social gatherings, such as debating and literary clubs, lectures, whist drives, dances, etc. The aims and objects for which the Over-Seas Club was founded, however, should always be borne in mind, and the tendency to become a purely social institution should be fought against.

All attempts to emphasise class distinction are absolutely contrary to the spirit of the Over-Seas Club. It is first and foremost a democratic organisation, and for this reason all sections of the local membership should be represented at the meetings.

LADIES' COMMITTEES.

Members are encouraged to cultivate the Sweet Pea, the floral emblem of the Over-Seas Club.

Where necessary Ladies' Committees are formed to help on the work of the branch. Much invaluable work has been performed by our lady members in making the entertainments of our local branches successful.

Other activities include: The formation of troops of Boy Scouts and rifle associations, the offering of prizes for essays on patriotic subjects to school children, the formation of St. John Ambulance Corps, etc.

Every branch of the Over-Seas Club is expected to do something for somebody else, and thus carry out Object One, "to help one another." At Christmas time gifts of frozen sheep, crates of apples, parcels of clothing and dolls, and money contributions, are received from all parts of the world for the very poor in the big cities of the Old Country.

OBJECT AND METHODS.

The general object of the Over-Seas Club is to bring into comradeship British subjects living in different parts of the Empire with a view to strengthening the unity of the Empire. Among

the methods which branches may adopt in pursuance of this object are :—

- (1) Periodical social gatherings of their own members.
- (2) Extending the hand of fellowship to visiting members from other parts.
- (3) Establishing Club premises which are useful for both the above purposes.
- (4) Providing information bureaux for acquainting strangers with the resources of the district.
- (5) Co-operating with other societies having patriotic objects, especially such as make a point of maintaining the unity of the Empire.
- (6) Arranging debates, weekly or monthly, during the winter for discussing topics of the day (generally excluding party politics or religion).
- (7) Arranging entertainments, lectures, or demonstrations for young people, with a view to fostering an intelligent patriotism.
- (8) Providing Libraries of good literature bearing on the Empire and its problems.
- (9) Offering prizes for marksmanship to local forces and cadets.
- (10) Any course of action calculated to maintain the solidarity and prestige of the British Empire, according to local circumstances.

HOW TO SECURE RECOGNITION.

The Central Committee does not recognise any local branch of the Over-Seas Club which does not pay an affiliation fee to Headquarters at the minimum rate of *2s. 6d. per member per annum.*

In the case of new members an entrance fee of *2s. 6d.* should also be forwarded, but the Central Committee are prepared to waive this where a branch consists of more than 100 Members.

Branches which conform to the above regulations receive an official Certificate of Affiliation. These certificates are beautifully engraved on Japanese vellum and are signed individually by the President, a Vice-President, the Hon. Treasurer, the Hon. Secretary and another member of the Central Committee. They are renewable each year.

MODEL RULES FOR BRANCHES.

The Over-Seas Club is a non-party, non-commercial, non-sectarian and democratic Society of British subjects.

OBJECTS.

Its objects are :—

1. To help one another.
2. To render individual service to our Empire.
3. To maintain our Empire's supremacy upon the seas and in the air.
4. To draw together, in the bond of comradeship, British people the world over.

METHODS AND ACTIVITIES.

These objects are being attained by the following methods :—

- (a) By extending the hand of fellowship to travelling members.
- (b) By establishing Club premises which shall be available for the use of members of the branch or visiting members of any other recognised branch, or London members.
- (c) By creating and fostering an intelligent interest in the welfare of the British Empire by placing before the individual a clear idea of the duties, responsibilities and privileges involved in British subjecthood.
- (d) By supporting any kindred societies or movements working on patriotic lines for the welfare of the British Empire.
- (e) By such particular methods as may be suitable locally.

BRANCH CONSTITUTION.

NAME.

The Association is known as The

.....
Branch of "THE OVER-SEAS CLUB."

RESPONSIBILITY OF BRANCHES.

Each branch of the Club is self-governing, and there is no interference from the Central Committee in London so long as a branch carries out practical work tending to promote the unity of British subjects.

A branch is not empowered to make the Central Committee of the Over-Seas Club liable for any transaction, financial or otherwise, effected locally.

The Central Committee has power to withhold recognition from a branch not definitely carrying out the aims and objects of the Club. Branch certificates of affiliation will be granted by headquarters to approved branches and are renewable from year to year.

BADGE AND FLORAL EMBLEM.

The Badge for members is enamelled in two colours, red and white, forming the letters "O.S." denoting the Over-Seas Club, and can only be purchased from the Central Committee in London.

The Floral Emblem of the Club is the Sweet Pea.

Members of the Club are expected to wear the Club Badge at all public functions and Club gatherings.

**"The Y.M.C.A. is invaluable in
peace time, it is indispensable in
war time." LORD DERBY.**

IT costs over £600 a day in subscriptions to maintain the huge War Work of the Y.M.C.A., and funds are urgently needed. The constant cry from every theatre of war is for more Y.M.C.A.'s and increased accommodation. A Y.M.C.A. Memorial Building costs from £500 in an ordinary Camp, to £2,500 and £5,000 in a more important centre.

Will you please send your cheque to-day for a new Y.M.C.A. at home or overseas?

A. K. YAPP, Y.M.C.A.,

The Times Book Club

IS

THE LARGEST BOOKSHOP

IN THE WORLD

*At the Times Book Club there will be found
every Book of importance.*

NEW BOOKS. Every authoritative work (except perhaps a few purely technical books) is on our shelves, with the newest books in Poetry, Literature, Biography, History, Fiction, Travel, Sport, etc. They are offered at the lowest prices charged by any bookseller. Those interested in the latest books published should write for our list of "Books of the Moment."

NEW BOOKS AT SECOND-HAND PRICES. It often happens that a publisher who has issued an excellent book finds on his hands the small "remainder" of an edition—so small that it is not worth while to advertise it. The "remainder" may be of only a one-shilling volume or it may be of a ten or twenty-guinea set. The stocks are bought by us on terms that make it possible to offer them at one-half, or occasionally at one-quarter of the original price. A list will be sent free on request.

SECOND-HAND BOOKS. The Times Book Club withdraws at regular intervals from its great Circulating Library, and offers for sale at second-hand prices, some thousands of important and recent books. They are not only the best, but they are in the best condition. Rare books, first editions, and choice sets of Standard authors are also offered. Nowhere can the book-lover find a finer collection. Write for the List.

NOVELS. The immense number of new novels bought for the Circulating Library all find their way, very soon, to the Second-hand Department. They are offered for sale in order to make room for the inflow of Newer novels, and, of course, all the best works come in their turn. Readers of fiction should write for our "Novel List."

From the Outposts of Empire to the Waterloo Road

•

It is a far-cry, but go into the smoking room of the Union Jack Club—the great homely Navy and Army rendezvous in the Waterloo Road—and any day you will find men in blue and khaki who have come from the uttermost outposts of Empire to wield a bayonet, man a gun or throw a bomb in the New Crusade.

From the plains of the North West, from the sheep runs of the Antipodes, from the golden veldt, from every tiny station in the shadow of the flag they have come, and their London Mecca is always the Union Jack Club, because it is known as the real “man’s club” for Jack and Tommy.

The only necessary passport to its pleasures is the King’s uniform. The only limit to its usefulness is its size. It is not big enough to cope with the calls made upon it. It had long outgrown the needs of the “little British Army.” To-day it caters for the Blue and Khaki cohorts which flood London on leave from the greatest Navy and Army the world has ever seen. Here is the point. The Union Jack Club must be permanently extended—must be made bigger and yet bigger. Will you help by a subscription to the Extension Fund.

THE UNION JACK CLUB

Patron-in-Chief: HIS MAJESTY THE KING.

Patron: F.M. H.R.H. THE DUKE OF CONNAUGHT, K.G., K.T., K.P.

Vice-President: Sir WALTER R. LAWRENCE, Bt., G.C.I.E., C.B.

ANY sum, small or large (P.O.’s and cheques crossed A Coutts & Co.), may be sent to G. J. Majoribanks, Esq., Honorary Treasurer, Union Jack Club, Waterloo Road, London, S.E. 1.

C.W.L. REST AND RECREATION HUTS FOR SOLDIERS AND SAILORS.

IN ENGLAND AND FRANCE.

(Under the management of the Catholic Women's League.)

Many more of these Huts are needed at once, particularly in France, but lack of funds makes it impossible to build them.

The C.W.L. Huts are among the best and are universally popular, especially among our Overseas Soldiers and Sailors, who ever have a warm welcome.

In them they can get food, good beds and every sort of attractive recreation at the lowest possible prices, and it is for this reason that this appeal for funds is made. Please help.

Donations will be most gratefully received by—

**THE HON. SECRETARY, CATHOLIC WOMEN'S LEAGUE,
116, Victoria Street, London, S.W. 1.**

C.W.L. HOME FOR BELGIAN REFUGEE BABIES.

HORSLEYDOWN, KINGSDOWN, DEAL.

(Under the management of the Catholic Women's League.)

For the reception of Belgian Refugee Babies during the War, after which they will be sent back to Belgium.

Babies only received who are deprived of their mothers' care either permanently through being orphaned, or temporarily owing to the sickness or poverty of the mother, or the baby requiring special care.

The Home is practically maintained by voluntary contributions, as the small Government grant allowed, and the still smaller payments made by relatives, are quite inadequate to meet the necessary expenses without voluntary help.

Please help this Home which is doing "its bit" to repopulate poor ravaged Belgium with sound healthy citizens.

Donations will be most gratefully received by—

THE NATIONAL INSTITUTE FOR THE BLIND,

**Patrons : H.M. THE KING.
H.M. THE QUEEN.
H.M. QUEEN ALEXANDRA.**

OF ALL THE TRAGEDIES for which the war is responsible there are surely none more poignant than those of the brave men who have been blinded in battle. ¶ At St. Dunstan's Hostel, Regent's Park, London, these heroes are being cared for and equipped to fight the stern battle of life in a world of perpetual darkness. ¶ It will be readily understood that large sums of money will be required to provide for their welfare and after-welfare, the provision of which has been undertaken by the National Institute for the Blind. Neither do the activities of the Institute cease here ; it provides books for the blind, selling them at less than cost or giving them without any charge whatever, gives advice and assistance to all classes of the blind, of whom very many are in the direst necessity and want. ¶ We would beg therefore all those who read this to ask themselves the question : " At how much do they value their own eyesight ? " and to answer it by sending a donation to the Institute in accordance with their ability and desire to help those who are doomed to live in eternal darkness.

Donations to be addressed : The Hon. Treasurer,
NATIONAL INSTITUTE FOR THE BLIND,
224-6-8, GREAT PORTLAND STREET, LONDON.
